

Certified Rehabilitation Counselor (CRC) or Certified Vocational Evaluator (CVE)

Job Description

Hourly Salary-\$20-\$25

On Call

Position Title: CRC or CVE

Status: On Call - Employee Status

The CRC/CVE provides evaluations and assessments to determine the aptitudes, abilities, strengths, weaknesses and vocational interests of the referred client.

JOB DESCRIPTION

After reviewing available demographic, social history and mental status evaluation the CRC/CVE provides a series of assessments that help to determine the skills, abilities, weaknesses and vocational interests of the client. This position requires a self-starter with computer and time management skills, who can work a flexible schedule,

RESPONSIBILITIES

CRC/CVE provides appropriate assessments that reveal the clients vocational interests and abilities. The evaluator might utilize Career Scope or another available Interest Inventory (online). They would also administer the Wide Range Achievement Test (WRAT) that indicates the clients reading, spelling and math abilities. After the appropriate assessments are administered the CRC/CVE would compile a report with findings and any further recommendations based on review of available information and assessment results. Of particular importance is a thorough employment history, reasons for leaving jobs, and any accommodations utilized or recommended. Attendance at Master Comprehensive Assessment meetings is required.

REQUIRED QUALIFICATIONS

Masters degree in Rehabilitation Counseling or a related field from an accredited college or university. A CRC or CVE credential is required. One year of experience in the field.
